CHAIRMAN'S MESSAGE

Dear Stakeholders,

It gives me immense pleasure to share with you the performance of your Company for the financial year 2019-20 and welcome you all for the 24th Annual General Meeting of the AVRO INDIA LIMITED. This was the transformative year of your company as the name of the company was changed from AVON MOLDFLAST LIMITED to AVRO INDIA LIMITED.

During the year under review, your company has seen growth in the profit from ₹ 0.85 Cr to ₹ 1.13 Cr. Further, I would like to mention that the company is making continuous efforts to ensure sustainable reduction in cost with increased level of efficiency and output.

During the last week of March 2020, the COVID-19 pandemic has disrupted demand and supply chains across industries, negatively impacting the business of companies and driving the global economy towards a recession. Government in India imposed stringent lockdown in a bid to contain the spread of the disease. This in turn has forced companies to reconfigure how their employees work and how their core business processes are supported and delivered. However, it is becoming evident that companies that have previously digitized their operations have been more resilient.

As of March 31, 2020, we ensured all the employees of the company are working remotely and securely from their residence. This response has reinforced customer confidence in our company and many of them have expressed their appreciation and gratitude for keeping their businesses running under most challenging conditions.

Your Company has always strived to be known for latest updated designs and models, quality at a reasonable price. The Company is committed to promote the brand "Avro" to take it to new heights.

With the continued focus towards digitalization, the Company is trying to connect with the existing and potential customers on digital platforms where they can get quick responses to their queries. We have listed our products on Govt. E-Marketplace (GeM) and getting excellent response on Amazon and Flipkart.

The Company with its constant endeavour for innovation will continue to introduce many new and innovative products and thereby will fulfill its commitment to the society as a whole by offering premium quality products at the most affordable price.

Customer satisfaction is our ultimate goal and we shall be persistent in our efforts in maintaining the topmost level towards the same. I would like to appreciate each and every employee of the Company for their efforts they put day in and day out for the growth of the Company. Employees are the key to a Company's success and I aspire for a growth that spreads across every employee of the Company.

Warm Regards,

Sd/-
Sushil Kumar Aggarwal
Whole-Time Director

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENT

The Plastic Industry is one of the most evolving business in recent times. The application of plastics can be found in almost every sector such as medical, aerospace, automotive, packaging, household appliances, construction and many more.

Plastic material is gaining notable importance in different spheres of activity and the per capita consumption is increasing at a fast pace. Continuous advancements and developments in Plastic technology, processing machineries, expertise and cost-effective manufacturing is replacing the typical materials. The sector has a large presence of small-scale companies in the industry, which account for more than 50% turnover of the Industry.

The Indian Plastics industry offers excellent potential in terms of capacity, infrastructure and skilled manpower. It is supported by a large number of polymer producers and plastic process machinery and mould manufacturers in the country.

COMPANY OVERVIEW

Our Company is engaged in the manufacturing of Plastic molded furniture. It has increased its products range by adding the new designs. It is increasing its presence through strong distribution network.

The Company with its constant endeavour for innovation will continue to introduce many new and innovative products and thereby will fulfill its commitment to the society as a whole by offering premium quality products at the most affordable price.

BUSINESS OUTLOOK

With the reduction in GST rate from 28% to 18%, the Plastics Industry is relieved from higher taxes to playing platform. The Government has also lightened certain provisions and relief from some complex provisions. The reduction in GST rates and other initiatives of the government for ease of doing business has helped the company in various ways.

The Company has kept its commitment to improve and increase the overall business growth and added many varieties of new products. The Company is in the process to manufacture new range of plastic furniture's with modern design and best quality in line with consumer preferences and useful utilities in reasonable price.

Opportunities

- The hunt for lightweight and affordable materials in the furniture Industry is giving rise to the adoption of Plastics in lieu of heavy-weight metals in modern furniture designs. Owing to the high-performance material properties of plastic, the demand for plastic furniture is likely to surge rapidly in the coming years.
- Researchers are exploring possibility for improving characteristics of thermoplastics in order to enable plastic furniture manufacturers to reduce manufacturing costs and offer unique designs to leverage the increasing the sales potential of plastic furniture.
- Manufacturers in the plastic furniture market are modifying their business strategies to capitalize on the growth of the e-commerce industry as a potential distribution channel, as millennial consumers are highly inclined towards purchasing furniture online.

With the growing awareness about the negative impacts of plastic pollution on the environment, the adoption of recycled plastic materials is expected to increase in the plastic furniture market.

Possible threats to the company are as follows:

- Fluctuating Market Conditions
- Uncertain Government Policies
- Technological changes
- Reduction in Market share
- Intense Competition from Counterparts
- Economic Slowdown due to Covid-19

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF AVRO INDIA LIMITED (Formerly known as Avon Moldplast Limited)

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of M/s. Avro India Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2020, the Statement of Profit and Loss, and the Statement of Cash Flows for the year then ended, and notes to financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020, and its profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matters	Auditor's Response
1.	<p>Related party transactions: We refer to the note no. 25(26). The company has entered into several transactions with related parties during the year 2019-20. We identified related party transactions as a key audit matter because of risks with respect to completeness of disclosures made in the financial statements; non-compliance with statutory regulations governing related party relationships such as the Companies Act, 2013 and SEBI Regulations and the judgment involved in assessing whether transactions with related parties are undertaken at arm's length.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> We carried out an assessment of the key controls to identify and disclose related party relationships and transactions in accordance with the relevant accounting standard. We carried out an assessment of compliance with the listing regulations and the regulations under the Companies Act, 2013, including checking of approvals/ scrutiny as specified in sections 177 and 188 of the Companies Act, 2013 with respect to the related party transactions. In cases where the matter was subject to interpretation, we exercised judgment to rely on opinions provided by management. We considered the adequacy and appropriateness of the disclosures in the financial statements, relating to the related party transactions. For transactions with related parties, we inspected relevant ledgers, agreements and other information that may indicate the existence of related party relationships or transactions. We also tested completeness of related parties with reference to the various registers maintained by the company statutorily.

<p>2.</p>	<p>Appropriateness of recognition criteria and measurement bases on Provisions and contingent liabilities: Company has legal, regulatory and taxation matters where it requires the company to recognize, measure, present and disclose provisions and contingent liabilities. High level of judgment is required in estimating the level of provisioning as well to classify it as provisions or contingent liabilities. Refer Note 25(14) of the Standalone Financial Statements.</p>	<ul style="list-style-type: none"> • We assessed the management’s basis and the groundwork for the amount recognized as Provisions and contingent liabilities. • Performed substantive procedures on the underlying calculations supporting the provisions recorded. • We ensured that Provisions were determined based on the best estimate required to settle the obligation at the reporting date. • We examined the reasonableness and adequacy of the amounts provided for. • Read Actuarial valuation report as per AS 15 obtained by the management.
<p>3.</p>	<p>Valuation of scrap: We have identified scarp as a key audit matter as manufacturing companies pays close attention to their scrap rate, as this affects their profits. Whether the company plans to reuse the excess materials, sell it, recycle it, all of these tasks requires additional time, labour and energy. Timely and regular disposal is very important for any organization as it saves the storage cost.</p>	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> • We reviewed the internal control on scrap materials, as regards its generations, storage and disposal and see whether it was properly followed at every stage. • Ensured that there exists a proper procedure to identify the scrap and made sure that good quality material is not mixed up with it. • Ascertained whether the organization is maintaining reasonable records for the sale and disposal of scarps. • Review the production for the determination of the extent of scarp materials that may arise in the given period. • Checked the rules for re-use of scarp and valuation process.

Emphasis of Matter

As more fully described in Note no 25(4c) to the Standalone Financial Statement. The Company is responding to inquiries to Central Intelligent Unit (CIU) under the provision of Central Goods and Service Tax Act, 2017 and rules made applicable Vide Section 174 of Central Goods and Service Tax Act, 2017. The Scope, duration or outcomes of these matters are uncertain.

Our opinion is not modified in subject to these matters.

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprise the information included in the Board’s Report including Annexures to Board’s Report and Shareholder’s Information, but does not include the standalone financial statements and our auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Management’s Responsibilities for the Standalone Financial Statements

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating

effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our

report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (“Act”)

We have audited the internal financial controls over financial reporting of **Avro India Limited** (“the company”) as of 31st March, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future years are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate

Opinion

In our Opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal financial control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

1. SIGNIFICANT ACCOUNTING POLICIES

a. Basis of preparation of financial statement

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (GAAP) to comply with the accounting standards specified under section 133 of the Companies Act, 2013, Companies (Accounts) Rules, 2014 and amended till date and the relevant provisions of the Companies Act, 2013 (“the 2013 Act”). These financial statements have been prepared to comply with all the material aspects with the accounting standards notified under Companies Act. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistently applied.

b. Uses of Estimates

The preparation of financial statements in conformity with GAAP requires the Management to make estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosures of contingent liabilities. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results could differ from the estimates. Differences between the actual results and estimates are recognized in the year in which the results are known/ materialized.

All the assets and liabilities have been classified as current or non-current as per the company’s normal operating cycle of twelve months and other criteria set out in Schedule III to the Companies Act, 2013.

c. Property, Plant & Equipment (Tangible) and Intangible Assets

Property, Plant & Equipment (Tangible assets) are stated at cost less depreciation and impairment losses and include the amount adjusted on revaluation, if any. The cost of property, plant & equipment comprises its purchase price, including import duties and other non-refundable taxes or levies and any other directly attributable cost of bringing the assets to its working condition for its intended use.

Borrowing costs that are directly attributable to the acquisition / construction of the qualifying asset are capitalised as part of the cost of such asset, up to the date of acquisition / completion of construction.

Property, Plant & Equipment (Tangible assets) which are not yet ready for their intended use i.e. capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Gains or Losses arising from de-recognition of property, plant & equipment (tangible assets) are measured as the difference between the net disposal proceeds and the carrying amount of the asset and recognized in the statement of profit and loss when the asset is derecognized.

Intangible Assets acquired separately are measured on initial recognition at cost. Following the initial recognition, Intangible Assets are carried at cost less accumulated amortization and accumulated impairment, if any. Gains or losses arising from de-recognition of an Intangible Asset are measured as the difference between the net disposal proceeds and the carrying amount of the Asset and are recognized in the statement of profit and loss when the asset is derecognized.

d. Depreciation and Amortization

Depreciation on Property, Plant & Equipment (Tangible Assets) is provided on “Written down Value Method” over the useful lives specified in Schedule II of Companies Act, 2013.

Depreciation/amortization in respect to additions to/ deletions from the assets is charged on pro-rata basis with reference to the date of addition/ deletion of the assets.

Intangible assets are to be amortized on straight line basis over a period of five years.

e. Impairment of Property, Plant & Equipment (Tangible) and intangible assets

The carrying amount of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors or an annual impairment testing for an asset is required. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount.

The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

f. Inventories

Inventories includes raw material, work-in-progress, finished goods, store & spare, packing material are valued at lower of cost and net realizable value.

Raw material and components: Cost includes cost of purchases and other costs incurred in bringing the inventories to their present location and condition. Cost is determined using first in first out (FIFO) basis.

Finished Goods: Cost includes cost of direct material, labor, other direct cost and a proportion of fixed manufacturing overhead allocated based on the normal operating capacity but excluding borrowing cost. Cost is determined on weighted average cost basis. The excise duty in respect of the closing inventory of finished goods is included as part of the finished goods.

Store, spare parts, packing material etc.: Cost is determined on FIFO basis.

Inter divisional transfers are valued at works/factory costs of the transferor unit/ division, plus transport and other charges.

g. Investments

Recognition and Measurement

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments.

Current investments are carried individually, at the lower of cost and fair value. Cost of investments includes acquisition charges such as brokerage, fees and duties.

On disposal of investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

Presentation and disclosures

Investments that are readily realisable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All other investments are classified as Non-Current investments.

h. Revenue Recognition

Income from sale of goods

Revenue from sales is recognised when significant risks and rewards of ownership have been transferred to the buyer which is normally on delivery of goods (inclusive of GST) & when there is reasonable certainty and reliability of ultimate realization.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

Dividend

Dividends are recorded when the right to receive payment is established.

Rental Income

Rental income is recognized on accrual basis in accordance with the terms of the respective rent agreements. The Company adopts the mercantile method in the preparation of the accounts. Claims/ refunds not ascertainable with reasonable certainty are accounted for, on final settlement.

i. Foreign Currency Transactions

On initial recognition, all foreign currency transactions are converted and recorded at exchange rates prevailing on the date of the transaction.

As at the reporting date, foreign currency monetary assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date and the exchange gains or losses are recognised in the Statement of Profit and Loss.

Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

j. Borrowing Cost

Borrowing costs that are directly attributable to the acquisition of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of that asset till the date it is put to use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

k. Leases (As Lessee)

i. Operating Lease

Leases in which a significant portion of the risks and rewards of ownership are not retained by the company are classified as operating leases. Lease payments under an operating lease are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the period of lease.

ii. Finance lease

Leases of property, plant and equipment, where the company (as lessee) has substantially all the risks and rewards of ownership, are classified as finance leases. Assets acquired under finance leases are recognized at the lower of the fair value of the leased assets at inception and the present value of minimum lease payments. Lease payments are apportioned between the finance charge and the outstanding liability. The finance charge is allocated to periods during the lease term at a constant periodic rate of interest on the remaining balance of the liability.

Leases (As Lessor)

i. Operating Lease

Leases in which a significant portion of the risks and rewards of ownership are not transferred by the company are classified as operating leases. Rental Income from operating lease are recognized on a straight-line basis over the period of lease.

ii. Finance lease

Leases of property, plant and equipment, where the company (as lessor) has substantially transferred all the risks and rewards of ownership, are classified as finance leases. Amounts due from lessees under finance leases are recorded as receivables. Lease Income are apportioned between the finance charge and the outstanding receivable. The finance charge is allocated to periods during the lease term at a constant periodic rate of interest on the remaining balance of the receivable.

l. Earnings Per Share (EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of Equity shares outstanding during the period/year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to Equity shareholders and the weighted average number of shares outstanding during the period/year are adjusted for the effects of all diluting potential equity shares.

m. Employee Benefits

Liabilities for salaries and wages, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period/year in which the employees render the related service are recognised in respect of employees' service up to the end of the period/year and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligation in the balance sheet.

Post-Employment Benefits

Defined Contribution Plan: The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contribution are recognised as employee benefit expense when they are due.

Defined Benefit Plan: For defined benefit plan in the form of gratuity, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period/year in which they occur.

Long Term Employee Benefits

Entitlements to earned leave are recognized when they accrue to the employees. An employee who has a right to accumulate and carry forward his leave to a future period can either avail these leaves in future or en-cash, as per the company's leave encashment policy.

n. Taxes on Income

Tax expense comprises both current and deferred taxes. Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with tax rate specified under Section 115BAA of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

o. Provisions and Contingent Liabilities

a. Provisions

A Provision is recognized, if as a result of past event the company has a present obligation that is reasonably estimable and it is probable that an outflow of economic benefits will be required to settle the Obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

b. Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company has provided requisite disclosure related to contingent liabilities in its restated financial statements.

p. Cash and Cash Equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand, INR Value of Foreign Currency in hand, fixed deposits with banks, which are short term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

q. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / loss before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated based on available information.
